

Free Barracuda SSL VPN & Link Balancer NFR's!

Get a free Barracuda SSL VPN NFR, Barracuda Archiver NFR or a Barracuda Link Balancer NFR and one year of Energize updates with the sale of either product.

The Barracuda Networks “**Sell One Get One**” promotion will enable Barracuda Networks Partners to earn a free NFR (Not for Resale) unit with one year of subscriptions when selling Barracuda SSL VPN, Message Archiver or Barracuda Link Balancer products.

The NFR unit is for Partners internal use only. Partners will be eligible for a free NFR unit of equal or lesser size of the same type product as sold to the end user as long as this product is not returned. The unit must stay on the customer site for more than 30 days after the date of activation.

The following products are included in this promotion:

Barracuda SSL VPN (all models) with one year of Energize updates
Barracuda Link Balancer (all models) with one year of Energize updates
Barracuda Message Archiver (all models) with one year of Energize updates

Other terms of Promotion:

To be an eligible sale, the end user must have originated from the Barracuda Networks Partner and not from a lead supplied to the partner from Barracuda Networks.

Partners should have sold more than 2 units in the last 12 months to be eligible.

Partner NFR units are **NOT FOR RESALE**. They are for the Partners internal use only. NFR products may not be sold, leased, or used to provide service for a customer other than as a demo. Partners selling SERVICE to customers may not use the NFR program.

Subsequent subscription renewals will be billed at the Partners NFR rate.

The program is limited to one NFR unit per product per partner.
