When you buy the NETGEAR[®] ReadyNAS[®] Duo RND2000, RND2150 or RND2110

Including hot-swap drives and excellent media streaming capabilities, the ReadyNAS Duo is a powerful and versatile network storage device for homes or small office environments.

ReadyNAS Duo is the heart of your digital home. It keeps your digital media safe[™] while allowing you to share it with all of your computers, games consoles and media players. Built in a sturdy steel housing and backed by an industry-leading, 3-year warranty from one of the biggest names in home networking, NETGEAR.

- Built-in iTunes[®], photos & BitTorrent[™] servers
- Stream music and videos to media players
- Gigabit Ethernet
- NETGEAR auto-expandable X-RAID[®]
- Setup wizard and easy, browser-based interface
- Supports Windows[®], Mac[®], and Linux
- Provides extra storage that can be conveniently shared with all your computers
- Access stored content anywhere via the Internet
- Optional spare hard drive protects against drive failure by making a duplicate copy of all your data
- Supports most network music, picture and video players
- Embedded BitTorrent[™] client for direct downloading from the Internet

For details on how to claim, please contact your Wick Hill Product Manager:

siobhan.gibbs@wickhill.co.uk or 01483 227600

Promotion starts on 28th September 2009 and ends 31st March 2010. Terms and conditions apply.

* Claim a 500GB hard drive when you buy the RND2000-100UKS or RND2150-100UKS, or a 1TB hard drive when you buy the RND2110-100UKS

** Two hard drives to this empty chassis for protection from hard drive failure. ReadyNAS Duo automatically switches to RAID1 mirroring.
